

**Fredericksburg Regional CoC
2021 CoC Program Scoring Sheet
HMIS**

Instructions

Only the HMIS Lead is eligible to apply for an HMIS project. Per the FRCoC Funding Policies & Procedures, HMIS projects should be reviewed for eligibility and threshold requirements to determine whether or not they should be accepted, but do not need to be scored if there are no projects of the same type to compare them to.

Project application scores should inform the final project ranking, but the Funding & Performance Committee should also consider other factors, such as project type, population group served by the project, levels of unmet need, or other parameters.

Renewal and expansion requests for the same project will be scored on one scoring sheet but in separate columns. Renewal and expansion requests may receive different scores and will be ranked separately by the Funding & Performance Committee.
