<b>Introduction</b>	

**Updates**

- CoC staff provided updates on several initiatives, including the Healthcare Mini Grant from Mary Washington Healthcare, the Community-Based Eligibility Worker grant, and the Homeless Mortality Review project. For the Community-Based Eligibility Worker grant, the group proposed using a navigator model instead of an eligibility worker, partially due to vacancies at DSS offices.

**2022 Action Planning**

- The group reviewed the 2021 Action Plan and discussed goals for 2022.
- One of the goals discussed was bringing opioid overdose prevention training to hotels, which CoC staff will work on.
