

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2022 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2022 Continuum of Care (CoC) Program Competition. For more information see FY 2022 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2022 CoC Program NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2021 Project Application will be imported into the FY 2022 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2022 CoC Program Competition NOFA.

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2022 renewal project application. The “Submit without Changes” process is not applicable for:

- first time renewing project applications
- a project application that did not import last FY 2021 information
- a project that had Issues or Conditions that were addressed in FY 2021 Post-Award and updates need to be reflected in the FY 2022 project application
- a project that had amendments approved in FY 2020 or FY 2021 that need to be reflected in the FY 2022 project application

e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2021 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions found on the left side menu of e-snaps or hud.gov to find more in depth information about applying under the FY 2022 CoC Competition.

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

The Empowerhouse PH-RRH project will serve 1 survivor of domestic violence (DV) and their 2 children providing them a permanent path to housing through RRH designed and implemented specifically to serve DV victims. As the DV community based provider serving this region, Empowerhouse will build on existing RRH initiatives and services helping new households address needs of increased safety and overcoming barriers to entering housing through financial subsidies, rental deposits, housing location, and DV housing advocate and case management staff. The existing model, in place and improved over the past 11 years, will be continued through this project to serve DV survivor households to stabilize in permanent housing. Research shows 1 in 4 women experience severe physical violence at the hands of an intimate partner in a lifetime. With over 145,000 women 18 years and older residing in PD16, this statistic indicates the local need for DV services is staggering. Empowerhouse served over 3,300 DV survivors and their children last year. Local law enforcement respond to over 6,500 DV calls annually. Fleeing DV leaves victims in danger and results in great loss and instability leaving them without a home, vehicle, finances, clothing, status, or routines. Lack of work history and education become prominent obstacles to obtaining employment which makes maintaining housing even more difficult.

When DV survivors first contact Empowerhouse, immediate safety concerns are discussed. Many survivors feel shelter is not a viable option for their situations (e.g., afraid to expose their children to shelter for fear of losing custody; have short term options with friends or family). For many of these situations, we refer to CoC coordinated entry Prevention services. Some DV victims were able to connect with Prevention or Diversion services; others tried to self-resolve without pairing them with valuable supportive DV services to support their safety goals and enhance their chance of achieving and maintaining permanent housing. This funding would enable victims with the highest barriers, either directly fleeing DV or residing in the DV shelter, to receive both rental assistance and DV services from DV housing staff experienced in providing survivor centered trauma-informed services.

DV survivors may enter through mainstream CoC Coordinated Entry or directly contact Victim Coordinated 24-hour Empowerhouse DV hotline. PH RRH renewal victims will receive rental subsidies at participant-chosen scattered site apartments while funding continues and, if needed, through the maximum assistance time frame allowable. We pay the security and utility deposits. If initial participants do not need the cap in rental assistance, additional DV victims will enter with remaining funds. The DV Housing Team (Advocate and Case Manager) and the internal or CoC DV trained Locator will assist in obtaining housing that will meet their needs as new households are place with available funds.
